Ordering Information

When placing an order, please be sure to include ALL of the following:

- Your Company Name, Address, Telephone, Fax and Email Address
- Contact Person for Order
- Purchase Order Number, Bill To Address, Ship To Address, Order Date
- Quantity
- Product Model and Description
- Applicable Options and Accessories
- Fabric: Manufacturer, Pattern and Color
- Component Species and Finish
- Special Delivery Instructions
- Net pricing including applicable shipping charges

Durford does not accept orders verbally. All orders need to be emailed to customercare@durfold.com or faxed to 601-922-6244. An order is not binding upon Durfold until Durfold issues an order acknowledgement to the customer, which will include pricing and order specific information. The acknowledgement is the final agreement between Durfold and the customer, replacing all previous communications regarding the order. Changes in the ship to address after order entry will incur additional charges.

Order Changes/Cancellation

All order cancellation and change requests must be in writing and approved by Durfold. Requests for cancellation will incur a cancellation fee for restocking and to cover work-in process and materials procured. All changes must be in writing, regardless of dollar value. Changes are not binding upon Durfold until Durfold issues an acknowledgement of the change.

Returns

All Durfold products are made to order, and therefore, no restocking or returns will be authorized.

Dimensions and Specifications

Dimensions are in inches and are approximate. All descriptive product matter, including computer generated renderings, are intended merely to generally describe the products. Both dimensions and other descriptive information are subject to change without notice. Contact Customer Care if dimensions are critical. Durfold reserves the right to modify specifications of its products, materials, designs or accessories, and to discontinue manufacturing of products without notice. Such changes shall not affect the validity of the purchase order contract.

Pricing

Unless otherwise specified, all prices are quoted at list with freight and applicable taxes added as line items. Prices and discounts are subject to change without notice or approval. Durfold reserves the right to use the published pricing effective at the time of shipment, if the requested delivery date is more than 120 days after the order receipt date.

Payment Terms

All orders will require a 50% deposit prior to the order being processed. For credit approved accounts, payment terms are Net 30 days from date of invoice on outstanding charges in addition to applicable deposits. Overdue accounts will be subject to 1.5% monthly, or 18% annually, interest charge without forfeit of Durfold's right for immediate payment. Durfold reserves the right to withhold or refuse any order for customers with overdue accounts. Durfold accepts payment by check or the following credit cards: Visa and Mastercard. A 3.5% fee will be added to all credit card orders.

Shipping Charges

Shipping charges are not included in product prices and are prepaid and added to the invoice – single destination only (dealer's dock). Orders will be shipped FOB from our factory. The freight carrier will be selected by Durfold, unless otherwise specified in the order and mutually agreed to by Durfold and the customer. Orders shipped on customer specified freight carrier will be FOB our factory and the customer will assume full responsibility and liability for transit of goods, including filing of claims for freight damage. In the case of damage discovered at receipt of shipment, customers must complete a report noting the damages on the original bill of lading.

Docks must be equipped to handle a 53' trailer. If a dock is inadequate for delivery by Durfold, Durfold will re-deliver to another local location and any additional charges will be charged to the customer. For all deliveries, it is understood that Durfold or its agent is making a dock delivery only and any further work of trailer unloading, delivery beyond the dock, installation and removal of packaging in not authorized or paid for by Durfold.

Hours for Delivery

Standard freight pricing is per standard delivery during regular business hours of 8:00 a.m. to 3:00 p.m., Monday through Friday.

Storage Charges

Customers who cannot accept delivery of merchandise when ready to ship will incur a storage fee.

Product Loss, Damage or Delay

Durfold shall not be held liable for the loss, damage or delay of order resulting from causes beyond Durfold's reasonable control.

Process for Product Damage, Shortage or Freight Carrier Delay

Durfold products are shipped FOB our factory and all ownership, title and responsibility of the products is assumed by the Customer upon delivery to the freight carrier (at Durfold's docks). Therefore, the request for a damage inspection and the filing of a freight claim is the responsibility of the Customer. Following are recommended procedures to assist in ensuring prompt and proper handling of claims by the freight carrier. Failure to follow these recommendations, as well as, the freight carrier's specific instructions and requirements could result in your claim being delayed or declined.

1. Thoroughly examine all cartons at the receiving dock immediately and prior to signing acceptance for the shipment.
2. If there is any visible damage, open cartons and inspect products immediately with the freight driver present.
3. Note, in writing, and photograph the precise details of product damage on all copies of freight bills and the driver sign all copies of noted freight bills.
4. Contact the carrier immediately and report to them the damage so that they can arrange for their own inspection. Follow up any verbal reports with written reports and note the time, date and contact information of the individual you reported your claim.
5. Obtain a claim form from the carrier, complete the claim form and forward the form, noted freight bill copies and photographs, copy of product invoice and a request for payment in specific terms. If damage warrants, request the carrier return the products to Durfold without freight charges for Durfold's inspection and repair or replacement estimate.

6. Contact Durfold for a return authorization number prior to returning furniture. Durfold will not accept any products without prior authorization. Successful freight claims depend on all inspections and claim steps being completed as soon as possible. Contact Durfold Customer Care if you need additional assistance or guidance with a freight claim.

Freight Region Program

All standard freight costs are calculated using the products' COM List prices and freight group designations, as well as, the destination region as denoted on the map. To freight costs:

1. Multiply each product's COM List price by each product quantity to be shipped.
2. Determine the freight group for each product and locate the ship-to region from the map. Use the corresponding % from the freight group / region matrix.
3. Multiply the total COM price (from step one) by the % from the matrix. The result will be the resulting freight cost.

All orders shipped will be subject to a minimum freight charge of \$250 net. Based on market conditions, fuel surcharges may apply. Contact Durfold for more informations.

Shipments to destinations outside the continental United States are shipped prepaid to port of export. Please contact Durfold for shipping quotes outside of regions on the map.

	Region 1	Region 2	Region 3
Group A	2.5%	3.5%	5%
Group B	3%	4%	5.5%
Group C	4%	7%	10%

Product Freight Group / Region Matrix

Shipping Regions

Zone 1:	Zone 2:	Zone 3:	
Alabama	Delaware	Arizona	North Dakota
Arkansas	Illinois	Idaho	Oregon
Florida	Indiana	California	Rhode Island
Georgia	Iowa	Colorado	South Dakota
Kentucky	Maryland	Connecticut	Utah

Mississippi	Missouri	Maine	Washington
North Carolina	Nebraska	Massachusetts	Wyoming
Oklahoma	New Jersey	Michigan	
South Carolina	Ohio	Montana	
Tennessee	Pennsylvania	Nevada	
Texas	Washington D.C.	New Hampshire	
Virginia	West Virginia	New Mexico	
	Wisconsin	New York	

Finish Schedule

Due to the organic properties and inherent variations found within a natural wood species, Durfold is not able to produce wood components that will not remove these traits in the final product. Differentiations in grain and final color within a single product, between products or in comparison to Durfold finish samples should be anticipated and will be considered as acceptable by Durfold and will not be eligible for return or replacement.

Durfold offers the following wood finishes on select components of its product offering.

Maple	Oak
Natural	Light
Honey	Wild Cherry
Medium	Vintage Cherry
Spice	Medium
Mahogany	Mahogany
Sumatra	Sumatra
Cocoa	

Custom finishes can be requested as a substitution for our standard finishes. To request a custom finish, a finish sample must be shipped to our factory for match evaluation. Once Durfold has developed its match to the submitted panel, a sample will be shipped to the customer for approval and prior to the purchase order. The following list price for custom finishes will apply.

Product Quantity	List
1-10	370
10+	290

Durfold offers the following powder coat finishes. All colors listed are not available on all metal frames, mechanisms or components.

Powder Coat

Silver
Almond
Black
Graphite
Nevada

Customer's Own Material (COM)

A customer who requests to provide their own material must first confirm approval of the COM. Durfold reserves the right to determine the feasibility of the material for manufacturing. If Durfold agrees to use the C.O.M., then Durfold will have no responsibility for the condition, quality, value, performance, physical properties or any other aspect of the C.O.M. and Durfold shall have no liability for any damages, injuries, or losses to the customer or any third party that is caused by use of C.O.M. and the customer shall hold Durfold harmless for all such liability. It is highly recommended that the customer test each proposed fabric selection with their specific cleaning agents and methods prior to ordering.

All fabrics, including COM, will be oriented and applied at the discretion of Durfold. Durfold reserves the right to apply additional seams to provide proper orientation of fabric on larger or longer upholstered components. If a pattern is to be applied in a specific manner, the customer must specify this in writing on the purchase order, as well as, attach a sample of the fabric with the desired orientation shown and the applicable Durfold product models that it is to be used for noted. Specifying a specific fabric orientation may increase the amount of yardage necessary to fulfill the order. Please contact Durfold customer service for a specific yardage calculation prior to specifying, requesting quotes, ordering or shipping the COM to Durfold.

All COM must be accompanied by the following identifying information:

- Company name, address and point of contact
- Purchase order number
- Durfold model numbers that the COM is to be used
- Textile supplier name, fabric pattern, color and number

All COM shipments must be prepaid and shipped to:

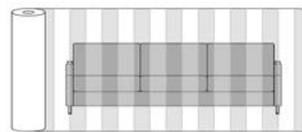

Durfold Corporation
102 Upton Drive
Jackson, MS 39209

Collect shipments will be refused.

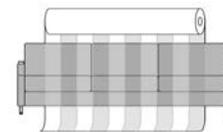

No order with COM will be entered for production until the material is received, inspected and approved by Durfold. Estimated lead times for Durfold to fulfill COM orders will be calculated as of the time the material is received by Durfold and based on production scheduling at the time of receipt. Excess fabric will be discarded by Durfold at the completion of order unless otherwise directed by the customer in writing on the purchase order.

Yardage requirements on product pages are based on 54" wide fabric with no orientation or repeat. If the fabric is less than 54" wide, please contact Durfold customer service for applicable yardage calculations and increases. The following table is a general guide and Durfold takes no responsibility in the event additional materials must be ordered in excess of calculations derived from this table. Yardage and increase percentages assume COM will be a single piece. If COM has splices or will be received as multiple pieces, additional yardage will be necessary. A general estimation for splices and multiple pieces is an additional yard for each splice or piece.

Repeat	Railroad	Non-Railroad	Two-Way
1/4" – 6"	Add 11.5%	Add 17%	Add 17%
6 1/4" – 10"	Add 17%	Add 20.5%	Add 23%
10 1/4" – 14"	Add 23%	Add 28.5%	Add 34%
14 1/4" – 21"	Add 28.5%	Add 34%	Add 40%
21 1/4" – 28"	Add 34%	Add 40%	Add 45.5%
28 1/4" – 35"	Add 40%	Add 45.5%	Add 51.5%

Non-Railroad

Fabric Program

Not all fabrics listed in our fabric grading program are suitable for all products in our portfolio. Fabrics available through our program are not limited to the list provided. Please contact Durfold customer service if a specific fabric or supplier is not listed. All fabrics and patterns are subject to availability from suppliers. Circumstances outside the control of Durfold may affect on-hand stock and delivery and Durfold takes no responsibility for availability of fabrics or timeliness of delivery to our factory. All fabrics, patterns and colors are subject to discontinuation at any time and as determined solely by the fabric suppliers. Our listing of a fabric in our fabric program does not indicate warranty, guarantee, availability, or responsibility of Durfold with regards to the appearance, behavior, durability, or quality of the fabric. Availability, selection and grades are subject to change without notice.

Standard Limited Lifetime Warranty

Durfold warrants its product to be free of structural defects in materials and workmanship, to the original purchaser for the lifetime of the product, defined specifically as ten (10) years from date of purchase (all shifts), under normal use and care and subject to the limitations and exceptions as noted below. This warranty shall not apply to any products which have been subjected to misuse, accidents, abuse, negligence, improper cleaning and maintenance, damaged in transit or unpackaging or whose original construction has been altered by someone other than or its authorized agents.

For our company to evaluate warranty claims properly, customer will be requested to provide a completed Durfold customer service request form specifying defective products by name of original purchaser, original invoice number, serial number of product claimed, and copy of original purchase order and must be received by Durfold during the applicable warranty period. In the event any product has to be returned to the factory for verification of a claim, Durfold must preauthorize return of product, shipped prepaid by customer. If Durfold deems the warranty claim valid, Durfold will have choice of repairing or providing customer with replacement and comparable components, parts or products.

Durfold has no control over variations in materials and components not manufactured directly by Durfold. Durfold will make efforts to extend applicable third party warranties to customer in these events.

Except as stated above, Durfold makes no express or implied warranties as to any product, and in particular, makes no warranty of merchantability or of fitness for any particular purpose. Durfold shall not be liable for charges of labor, consequential, economic or incidental damages arising from or in any manner related to product defects, sales, repairs or use of such products. No unauthorized person, agent, dealer, or sales representative may give further warranties or bind Durfold to any agreement regarding warranty claims or remedies on behalf of Durfold. This warranty reflects U.S. domestic policy. Warranty terms for products sold outside the U.S. may vary by country.

To file a warranty claim, contact Customer Care at 601-922-4144 or customercare@durfold.com.
