arlington
glider + recliner + swivel

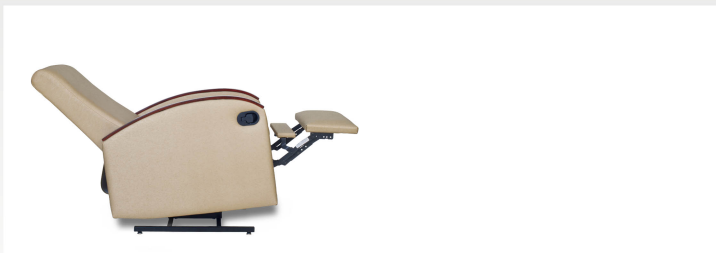

gl1281

glider can be provided with reclining mechanism as an additional option

glider comes standard with a steel fixed base or can be modified to 360 degree swivel as an additional option

seat height positioned to allow ease of gliding for short and tall users

bent hardwood or plastisol armcaps

glider path is extended to allow for a more natural and relaxing swing path

footpiece release is weight activated thereby preventing bending to mechanism from excessive and improperly placed weight on footpiece

glider width and depth is sized for most body types to comfortably sit and relax

three position reclining mechanism
